*3A Tutors can support a wide range of AS and A-Level examinations, including practical endorsements for A-Level Sciences and NEA marking for A-Level English Language. For GCSEs, they can accommodate several subjects, including English Literature, History, Maths, Psychology, Religious Studies, Sociology, and selected languages at the Higher tier. They can also support all AQA GCSE Sciences if the required practical activities are pre-completed under teacher supervision; otherwise, IGCSE options are available. For English Language, only IGCSE is offered (unless a re-sit) due to the Spoken Language Endorsement requirement.
