

Summer reading challenge 2025

Are the summer holidays your favourite time of year? A chance to unwind, have a break from lessons and do activities you don't normally have the time to do.

While that might be true, a study has found that many children and teenagers get bored after only ten days! Many parents and guardians' suggestion is to keep busy by doing chores which is definitely not an exciting pastime in anyone's book. But don't panic, we have got the perfect answer which will be great fun for you and keep the 'olds' happy as well.

This summer holiday, Tute wants you to have a fantastic, fun-filled time, and one of the many activities you might consider is getting into a reading habit.

Summer reading challenge 2025

What is Tute's Summer Reading Challenge?

Tute's Summer Reading Challenge is simple. All you need to do is some form of reading a few days per week. You can read anything you want; the choice is completely yours.

We love fiction at Tute. From novels, short stories, graphic novels, plays and comics, there's so much choice. There definitely is something for everyone!

Remember all non-fiction texts count such as magazines, fact books, websites, song lyrics, jokes and many more. What can you find to read?

Do audio-books count? 100% they absolutely do. Don't forget about listening to radio programmes, TV documentaries and TV series and film versions of books as well and if you put the subtitles on even better!
